

Areas marked in dark blue lines depict where the majority of water chestnuts were pulled from the pond by two NRC summer interns, Eric Kloss & Chris Pineau, WPSC member Rebecca Gates and son, Ben, Co-chairs, Charlie Simpson & Joanne Loynd and another volunteer named Tim Regan July 29, and August 5, 2008

Water Chestnuts Galore

A boat load ~ We emptied the loads into a DPW truck that hauled the chestnuts to the land fill at the end of the day.
